Real Estate and Loans

The enlargement of the LOAN Market so as to cover the wants and necessities of the large number of honorable people who are not owners of unincumbered Real Estate was one of the most necessary innovations of recent years. To many it has meant relief from pressing claims at the very time when most essential. When properly and honorably conducted this business is of equally great importance and value to the community as Building and Loan Associations have proved themselves to be.

The Hawaiian Investment Co.

Makes a specialty of Negotiating and Procuring Loans for Borrowers who are unable to discount their Notes at the Banks and who do not care to obligate themselves to some friend or acquaintance by asking his endorsements to their Note. This Company will make Loans upon Household Furniture, Pianos, Organs, Horses, Mules, Wagons, Carriages and Personal Property without removing the Property from the Borrower's possession, and all business will be conducted on a STRICTLY CONFIDENTIAL BASIS.

WILL ZIMMERMAN COME?

Talk of a Visit from America's Champion Bicyclist.

It has been rumored about town among local wheelmen that Zimmerman, the champion bicycle rider of America, would make a visit to Honolulu in the near future. The report is not credited by the local bicycle authorities, as at last reports Zimmerman intended to open a bicycle factory at his home in New Jersey in conjunction with his brother-in-law. Zimmerman had made a little fortune during his recent visit to France and he contemplated settling down. He may, however, travel for a change of climate.
